Summary of Notice of Privacy Practices

The following is a brief summary of your rights and our responsibilities as detailed in the attached Notice of Privacy Practices (the "Notice"). This Summary is for your convenience and is not a substitute for reading the entire Notice and does not modify the terms of the Notice.

1. **Uses and Disclosures of Your Health Information.** We may use the information we develop and collect for treatment by our practice, or disclose the information to others to whom we refer you for treatment, for payment for these services, and for certain health care "operations" such as improving the competence and quality of our staff, business planning, and management. We may disclose your information to our business associates such as medical transcriptionists, billing services, and others who assist in the operations of our practice. We may call you to remind you of appointments and may leave a message on your answering machine if you have one. We may also disclose information to your family about location, general condition, or death. If you are available and able, we will ask your consent first. We may also use your information to recommend products or services related to your care, but we will not use or disclose your medical information for marketing purposes without your written authorization. Your medical history may be disclosed without your authorization, as required by law, for public health purposes, healthcare oversight including audits and investigations, judicial and administrative proceedings subject to the limits imposed by the state and federal law, and certain other purposes.
2. **Other Uses and Disclosures.** Except as described in this Notice, we will not use or disclose your medical information without your written authorization. You can revoke an authorization at any time, except to the extent that we have already taken action in reliance on the authorization.
3. **Your Health Information Rights.** You have a number of rights under state and/or federal law which are subject to the terms and conditions specified in the Notice:
 - a) You may request restrictions on certain uses and disclosures of your information.
 - b) You may request that you receive your information from us in a certain way.
 - c) You may inspect and copy your medical record.
 - d) You may request amendment to any record that you believe is inaccurate.
 - e) You may request an accounting or disclosures made of your records.
4. **Changes to the Notice.** We reserve the right to change the Notice. If we do, we will post the revised Notice in our office and provide a copy upon request.
5. **Complaints.** You may file a complaint to our Privacy Official or with the federal government as detailed in the Notice. You will not be penalized for filing any complaint.
